ARTICLE II  
NEGOTIATION PROCEDURE

A. The parties agree to enter into collective negotiations over a successor agreement in accordance with Chapter 123, Public Laws 1974 (N.J.S.A. 34:13A-1 et seq., as amended) in a good faith effort to reach agreement on all matters concerning the terms and conditions of teachers' employment. Such negotiations shall begin not later than November of the calendar year preceding the calendar year in which this Agreement expires. Any agreement so negotiated shall apply to all employees, be reduced to writing, be signed, and be adopted by the Board and the Association.

B. During negotiations, the Board and the Association shall present all relevant data, exchange points of view and make proposals and counter-proposals.

C. Neither party in any negotiations shall have control over the selection of the negotiation representatives of the other party. The parties mutually pledge that their representatives shall be clothed with all necessary power and authority to make proposals, consider proposals, and make counter-proposals in the course of negotiations.

D. 1. Representatives of the Board and the Association's Negotiating Committee shall meet when necessary as determined by either party for the purpose of reviewing the administration of the Agreement, and to resolve problems that may arise.

These meetings are not intended to bypass the grievance procedure.

2. Each party shall submit to the other, at least three (3) days prior to the meeting, an agenda covering matters they wish to discuss.

3. All meetings between the parties shall be regularly scheduled, whenever possible, to take place when the employees involved are free from assigned instructional responsibilities, unless otherwise agreed.

4. Should a mutually acceptable amendment to this Agreement be negotiated by the parties, it shall be reduced to writing, signed by the Board and the Association, and be adopted by the Board and the Association.

E. Except as this Agreement shall hereinafter otherwise provide, all terms and conditions of employment applicable on the effective date of this Agreement to employees covered by this Agreement as established by the rules, regulations and/or policies of the Board in force on said date, shall continue to be applicable during the term of this Agreement.

F. The Board agrees not to negotiate concerning said employees in the negotiating unit, as defined in Article I of this Agreement, with any organization other than the Association for the duration of this Agreement.

H. This Agreement shall not be modified in whole or in part by the parties except by an instrument in writing duly executed by both parties.

ARTICLE III  
GRIEVANCE PROCEDURE

A. Definitions:

1. A "grievance" is a claim based on any of the provisions of this Agreement and/or past common practice resulting from an event or condition which affects the welfare and/or terms and conditions of employment of an employee or group of employees and/or the interpretation, meaning or application thereof.

2. An "aggrieved person" is the person or persons making the claim.

3. A "party in interest" is the person or persons making the claim and any person who might be required to take action or against whom action might be taken in order to resolve the claim.

4. The term "school days" shall include days school is in session during the regular school term, September through June, and all non-national holiday weekdays, Monday through Friday, during June, July and August.

5. An aggrieved person shall have thirty (30) school days from the date of the occurrence or the first knowledge of said occurrence to initiate a grievance. Failure to initiate a grievance within said period of time is deemed a waiver of all steps on the grievance procedure.

B. Purpose:

1. The purpose of this procedure is to secure, at the lowest possible level, equitable solutions to the problems which may from time to time arise affecting the welfare or terms and conditions of employment of employees. Both parties agree that those proceedings will be kept as informal as is mutually agreeable and confidential at every level of the procedure.

2. Nothing herein contained shall be construed as limiting the right of any employee or group of employees having a grievance to discuss the matters informally with any appropriate member of the administration, and having the grievance adjusted without intervention of the Association, provided the adjustment is not inconsistent with the terms of this Agreement.

C. Procedure:

1. Since it is important the grievances be processed as rapidly as possible, the number of days indicated at each level should be considered as a maximum and every effort should be made to expedite the process. The time limits specified may, however, be extended by mutual agreement.

2. Level One - Immediate Supervisor

An employee or group of employees with a grievance shall first discuss it with his or their immediate supervisor or appropriate member of the administration, either directly or through the Association's Grievance Committee, with the objective of resolving the matter informally.

3. Level Two - Superintendent

If the aggrieved person or group of persons is not satisfied with the disposition of his grievance at Level One, or if no decision has been rendered within five (5) school days after the presentation of the grievance, for further consideration, he must file the grievance in writing with the Chairman of the Association's Grievance Committee within five (5) school days after the decision at Level One or ten (10) school days after the grievance was presented, whichever is sooner. If the Grievance Committee determines that the grievance is meritorious, for further consideration, it must submit the grievance to the Superintendent of the School District within five (5) school days after receiving the written grievance.

#### 4. Level Three - Conflict Resolution Board

If the aggrieved person or group of persons is not satisfied with the disposition of the grievance at Level Two, or if no decision has been rendered within five (5) school days after the presentation of the grievance, the grievance is passed on to: (a) the Board of Education if the grievance involves evaluations or discipline arising out of evaluations; or (b) the Conflict Resolution Board if the grievance concerns matters other than those mentioned in (a).

A Conflict Resolution Board, consisting of two Board of Education members (not then serving on the Personnel Committee) to be selected by the Board and two teachers (not in any way involved in the grievance at hand) to be selected by the Association and two at large members (one selected by the

President of the Association and one by the President of the Board, with neither being a member of the selecting group) shall review the grievance, with full power to hear all witnesses, assess all relevant information, and see all pertinent documents.

The Conflict Resolution Board shall, having finished its deliberations, send its findings to the President of the Board of Education and the President of the Education Association. These findings shall include an assessment of the validity of the grievance at hand, recommendations for its resolution if it is found to be a valid grievance, and recommendations for avoiding similar difficulties in the future.

If the Conflict Resolution Board cannot resolve the difficulty in fourteen (14) calendar days, it shall submit a written report to the Board of Education and the Association. The grievance shall then be referred to the Board of Education.

#### 5. Level Four - Board of Education

If the aggrieved person or group of persons is not satisfied with the disposition of the grievance at Level Three, he must within five (5) school days after a written decision rendered by the Conflict Resolution Board, or ~~fourteen~~ (14) calendar days after the grievance was delivered to the Conflict Resolution Board, whichever is sooner, request in writing that the Chairperson of the Grievance Committee submit his grievance to the Board. If the Grievance Committee determines that the grievance is meritorious for further consideration, it must

submit the grievance for the Board within fifteen (15) school days after receipt of a request by the aggrieved person or group of persons.

6. Level Five - Arbitration

a. If the aggrieved person or group of persons is not satisfied with the disposition of his grievance at Level Four, or if no written decision has been rendered within ten (10) school days after the grievance was delivered to the Board, for further consideration, he must within five (5) school days after a decision reduced to writing by the Board or within fifteen (15) school days after the grievance was delivered to the Board, whichever is sooner, request in writing that the Chairperson of the Grievance Committee submit his grievance to arbitration. If the Grievance Committee determines that the grievance is meritorious for further consideration, it must submit the grievance for arbitration within fifteen (15) school days after receipt of the request by the aggrieved person.

b. Within ten (10) school days after such written notice of submission to arbitration, the Board and the Grievance Committee shall attempt to agree upon a mutually acceptable arbitrator and shall obtain a commitment from said arbitrator to serve. If the parties are unable to agree upon an arbitrator or to obtain such a commitment within the specified period, a request for a list of arbitrators may be made to the Public Employment Relations Commission by either party. The

parties shall then be bound by the rules and procedures of the Public Employment Relations Commission in the selection of an arbitrator.

c. The Arbitrator so selected shall confer with the representatives of the Board and the Grievance Committee and hold hearings promptly and shall issue his decision as soon as possible, but not later than twenty (20) days from the date of the close of the hearings or, if oral hearings have been waived, then from the date the final statements and proofs on the issues are submitted to him. The Arbitrator's decisions shall be in writing and shall set forth his findings of fact, reasoning, and conclusions on the issues submitted. The Arbitrator shall be without power or authority to make a decision which requires the commission of an act prohibited by law or which is violative of the terms of this Agreement. The decision of the Arbitrator shall be submitted to the Board and the Association and shall be final and binding on the parties except in cases dealing with the non-renewal of a non-tenured teacher in which the Arbitrator's decision shall be advisory only.

d. The costs for the services of the Arbitrator, including per diem expense, if any, and actual and necessary travel, subsistence expenses and cost of the hearing room shall be borne equally by the Board and the Association. Any other expenses incurred shall be paid by the party incurring the same.

D. Rights of Employees to Representation:

1. Any party in interest may be represented at all stages of the grievance procedure by himself or at his option by a representative from the Grievance Committee of the Association. Professional counsel may be used for representation when it is so indicated on the written grievance or mutually agreed to by both parties.

2. No reprisals of any kind shall be taken by either party, Board and/or representatives or Association and/or representatives, against any party in interest or other participant in the grievance procedure by reason of such participation.

E. Miscellaneous:

1. Following Level One, the Grievance Committee may process a grievance through all levels of the grievance procedure even though the aggrieved person or group of persons does not wish to do so.

2. Decisions rendered at Level Two, Three, Four and Five of the grievance procedure shall be in writing setting forth the decision and the reasons therefor and shall be transmitted promptly to all parties in interest and to the Chairman of the Grievance Committee and the Board's Personnel Committee. Decisions rendered at Level Five shall be in accordance with the procedures set forth in Section C, paragraph 6c of this Article.

3. All documents, communications, and records dealing with the processing of a grievance shall be filed in a separate grievance file, available to the Superintendent, the Chairman of the Association's Grievance Committee, or a party in interest appointed by either of the above, and shall not be kept in the personnel file of any of the participants.

4. Forms for filing grievances, serving notices, taking appeals, making reports and recommendations, and other necessary documents shall be prepared jointly by the Superintendent and the Association and given appropriate distribution so as to facilitate operation of a grievance procedure.

5. No meetings or hearings under this procedure shall be conducted in public and shall include only such parties in interest and their designated or selected representatives, heretofore referred to in this Article.

dent will have his salary reduced by the hourly rate multiplied by eight (8) times the number of work days missed.

6. A reply to a request for a vacation shall be received by the employee within five (5) working days of the request.

ARTICLE XIII  
TEACHER FACILITIES

A. All school facilities shall be available to staff members for professional use subject to the following criteria:

1. School facilities that are within the normal operational duties of staff members are available for use for professional purposes on school days until 11:00 p.m. and week-ends from 6:00 a.m. to 11:00 p.m. All interior and exterior doors and windows will be locked securely when leaving the building in the area used by the teacher.

2. When school facilities are used and a custodian is not on duty, staff members shall assume responsibility for building security in the area of use.

3. On non-school days, staff members shall record the time and facilities used in the office of the Principal.

4. It is agreed that all staff members shall exercise sound and prudent judgment in the control of keys to school facilities.

5. When students are involved in activities outside the normal school day, it is agreed that no student or group of students be left in a building after the building has been secured.

6. Upon request, staff members shall be privileged to receive, from the Director or person in charge, a key to the Instructional Materials Center issued for specific periods of

time, for the purpose of professional preparation. The use of the Instructional Materials Center shall be in accordance with the standard operational procedures.

7. A teacher, upon request, shall be issued those keys necessary to obtain access to his teaching stations.

B. The school shall have the following facilities:

1. Adequate space in which teachers may store instructional materials and supplies;

2. A teacher work area containing adequate equipment and supplies to aid the preparation of instructional materials;

3. In addition to the aforementioned teacher work area, an appropriately furnished room which shall be reserved for the use of staff as a staff lounge;

4. A communication system so that teachers can communicate readily with the office from their area;

5. A separate private dining area for the exclusive use of the staff;

D. These facilities will be available pursuant to Section "A."

ARTICLE XIV  
NON-TEACHING DUTIES

A. The Board shall have the right to assign teachers to cafeteria duty, with the understanding that if it is administratively feasible the Board shall utilize volunteers for such duty first. A fair and equitable system of rotation of such duties shall be established at the start of each term by the administration. On days that teachers are assigned to cafeteria duty, they will not be assigned to any other non-teaching duty except for programs regularly carried out during period nine. It is understood that the current practice of exempting certain teachers (e.g. those who are assigned to six teaching periods, guidance counselors, etc.) from cafeteria duty shall be continued.

B. The crux of the problems surrounding lunchroom duty is the inequity incurred by persons teaching five (5) classes who are always assigned lunch duty, and others who for various reasons are not (i.e., teach six classes, supervise student programs, etc.).

If we assume that all available classroom teachers were able to take a duty assignment during the course of a year, we would be dealing with an average per period duty assignment of sixteen (16) people per period available to cover four different kinds of duties--lunch duty, study hall, in-school suspension and hall monitors. This averages one person

per marking period per lunch duty assignment. Since there is the greatest concern about the inequity of lunch duty vs. all others, it seems equitable that all should serve the equivalent of one marking period of lunch duty per year. At present, it is impossible to provide the necessary staff to maintain that rate. Sixteen (16) staff members for each of the four lunch periods are not available nor could they be made available.

In order to preserve the managerial prerogative regarding duty assignments, and also to provide a degree of equity concerning lunchroom coverage, the following program will be implemented:

1. In the event that a staff member must be used over and above the two marking periods over two years, s/he will be compensated at the rate of \$20.00 per period.

2. Volunteers for lunch duty and coverage as cited above, will be accepted first, but if insufficient volunteers are available, the administration will assign the duty.

3. Other duty assignments will be made at the discretion of the administration.

10. No more than five (5) days leave shall be used for the purpose of marriage.

11. In the event of jury duty, the Board of Education will continue to pay the employee's salary. The employee shall sign over to the Board any jury duty reimbursement. An employee who is not selected for a panel and is dismissed by the court is to report to his/her immediate supervisor.

12. The Board shall grant one (1) day leave of absence as a family illness day.

a. An employee who has an actual or anticipated disability shall present to his supervisor a written statement from his physician (as soon as possible) showing the date or estimated date of disability. The employee shall then be re-

quired to submit a physician's statement that the employee is physically or mentally fit to perform his assigned duties. Notwithstanding this certification of fitness, if the performance of an employee has substantially declined from that performance demonstrated by that same employee at the time immediately prior to the notification of fitness, or when said employee has been absent more than three consecutive days, or a total of ten days following the date of notification of actual or anticipated disability, the employee shall then be required to submit a physician's statement stating that he is physically fit to perform the duties assigned to him.

b. If the district is not satisfied with the statement from the employee's physician, it may request a review and examination by the school physician or a physician selected by the district. In the event the employee refuses to see the physician appointed by the district or in the event the physician appointed by the district offers a contrary opinion to that of the employee's physician, both parties shall agree upon an impartial third physician whose medical opinion shall be binding on the issue of medical capacity to continue in the performance of duties.

c. If as a result of such examination, the employee is found to be fit to perform the assigned duties, he may do so, or in the case of an anticipated disability due to pregnancy, have the option to request a leave of absence in accordance with paragraph 2 of this policy.

At the end of her disability, she must get a letter from her doctor certifying that she can resume her responsibilities at work. As in any disability, the end of this disability period is determined by her health and her doctor's advice.

A non-tenured teacher cannot request a maternity leave that shall exceed the duration of her contract of employment.

However, credit on the salary schedule for leaves taken pursuant to Section D of this Article shall be limited to a maximum of four (4) years. Upon return from leaves granted pursuant to Sections B, C, or D of this Article, the salary increment received by the employee shall be determined by the value of leave to the position held by the employee.

2. All benefits to which an employee was entitled at the time his leave of absence commenced, including unused accumulated sick leave and credits toward sabbatical eligibility, shall be restored to him upon his return, and he shall be as-

plication or administration of this Agreement on the basis of race, creed, color, religion, national origin, sex, age, domicile, or marital status.

E. Copies of this Agreement shall be reproduced at the expense of the Board and the Association within thirty (30) days after the Agreement is signed and presented to all employees now employed, hereafter employed or considered for employment by the Board.

ARTICLE XXXIV

REDUCTION IN FORCE

A. The parties recognize that the provisions contained in Article XXXIII, Reduction in Force, are presently unenforceable.

B. The Association recognized the right of the Board of Education to reduce the number of employees in the district in accordance with Title 18A of the Laws of New Jersey.

C. If a reduction in personnel is being considered, the Board shall notify and consult with the Association as soon as practicable, but not later than April 1 prior to when the layoff is to take place. The Board shall state to the Association the reasons for determining that a reduction of staff is deemed necessary.

D. Non-tenured teachers will be laid off first where any teacher who has acquired tenure and whose position has been curtailed is certified and qualified to perform the services of non-tenured teachers.

E. In the event teachers must be laid off, layoff will be on the basis of seniority and certification, except as provided for in C above.

F. In the case of teachers with the same seniority, the level of certification shall be standard. Those with less than standard certification shall be considered for layoff before anyone with standard certification.

G. In the case of identical certification, the accumulation of credits toward standard certification shall be the criteria used with the highest number of credits achieved receiving a preference.

H. In a case of all of the above factors being equal, teachers shall be considered on the basis of their evaluation and ratings with the least satisfactory to be released from service first.

I. It is expressly understood that the Association shall have the right to review a layoff list prior to notification of the individual teachers to be laid off. In the event of a disagreement concerning the layoff list, the Association shall have the right to meet with the Superintendent prior to notification of the individual teachers and prior to the notification deadline of April 30.

J. Non-tenured teachers being laid off shall maintain their accumulated sick leave during the one (1) year within which they remain on the recall list. A year for the purpose of this Article shall be defined as October 1 to September 30 of the subsequent contract year.

K. If a teacher who is laid off is recalled to the district and accepts reemployment, upon return to the district the employee shall assume the step position on the salary schedule which the employee would have held had the employee been actively employed in the district to a maximum of one (1) year's credit. No teacher may receive one (1) year's credit

unless the employee works a minimum of ninety-one (91) days during the school year.

L. No non-tenured teacher who is laid off and subsequently recalled can receive credit for the time in which the employee spent while laid off, and the employee may not acquire tenure until the employee has met the statutory requirements as set forth in Title 18A.

M. Seniority for the purpose of this Article shall be defined as non-terminated years of employment in the district.

N. A seniority list shall be prepared by the Board and presented to the Association which includes all full-time teachers who are within the bargaining unit.

O. It is expressly agreed that teachers who are on leaves of absence will be considered as being within the bargaining unit for the purposes of this Article.

P. Termination of employees due to lack of performance, reassignments and/or transfer which occur within the district are not to be construed as applying to this Article and are expressly excluded. No other rights or benefits shall be deemed to be granted to a laid off teacher other than those defined herein, and all others are expressly excluded.

Q. Recall. Teachers shall be recalled in inverse order of layoff for position openings for which they are certified and qualified in accordance with the following:

1. If a position exists within the district for which the teacher is certified pursuant to this Agreement, the teach-

er shall be notified by certified mail. Within ten (10) days of receipt of a written offer to return to employment, the teacher shall accept the position by replying in writing or it shall be determined that the employee has declined the position. If a teacher accepts the position the employee is offered, the employee shall be granted sufficient time to fulfill the requirements of the contract the employee is required under or if the employee does not have contract requirements to fulfill, the employee shall have twenty (20) days from receipt of the offer to return to work.

2. All teachers placed on layoff and the Association shall be notified by certified mail on or before April 30 of their position on the recall list and be given an opportunity to remain on the recall list for the following school year.

3. No new staff shall be hired until all properly certified staff members who were on the recall list have been offered an opportunity in writing to return to employment with the district.

4. In the event that more than one (1) person occupies the same position on the recall list, the Superintendent shall, in the presence of the Association representative, draw the names in order of ranking to establish a register of recall for positions which may become available and for which they are qualified and certified.

5. The recall list shall be maintained by the personnel office for the following school year. It shall be the

teacher's responsibility to maintain a current address with the personnel office. Said teacher waives any responsibility of the Board if when contacted by the district, the employee does not state in writing the employee's intent to return to the district upon being offered an opening of a position for which the employee is qualified. If a teacher cannot be contacted because of a failure to leave a current address, the Board of education is relieved of its responsibilities to the teacher and any rights to be recalled are terminated.

ARTICLE XXXV  
UNION SECURITY CLAUSE

A. Upon the request of the Association, the Board shall deduct a representative fee from the wages of each employee who is not a member of the Association.

B. These deductions shall commence thirty (30) days after the beginning of employment in the unit or ten (10) days after cancelling their membership in the Association.

C. The amount of said representation fee shall be certified to the Board of Education by the Association within five (5) working days after the effective date of this Article, which amount shall not exceed 85% of the regular membership dues, fees and assessments charged by the Association to its members.

D. The Association agrees to indemnify and hold the Board of Education harmless against any liability, cause of action, or claims of loss whatsoever, arising as a result of said deductions.

E. The Board of Education shall remit the amounts deducted to the Association monthly, on or before the 15th of the month following the month in which such deductions were made.

F. The Association shall establish and maintain at all times a demand and return system as provided by N.J.S.A. 34:13A-5.4(2)(c) and (3) (L. 1979 c. 472) and membership in the Association shall be available to all employees in the unit on

an equal basis at all times. In the event the Association fails to maintain such a system, or if membership is not so available, the Board of Education shall immediately cease making such deductions.

ARTICLE XXXVI  
DURATION OF AGREEMENT

This Agreement shall be effective as of July 1, 1989, and shall continue in effect until June 30, 1991.

Negotiations on a successor agreement, as provided for in Article II, shall commence no later than the first week of November, 1990. Discussions on the general operation of Hunterdon Central are appropriate at any time.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be signed by their respective Presidents and attested by their respective secretaries.
